

Clothing Cove

Clothing Cove is a leading retailer in Downtown Milford. They carry women's fashions and draw customers from all over the state of Michigan and beyond.

The friendly staff, and beautiful styles to choose from make shopping a special experience that beckons your return.

While using their existing logo art, we created a look for the web site and that portrays the sweet elegance you discover the second you enter the store. This consistent look and feel is carried through on the various shopping cards.
